

Erasmus+ KA2

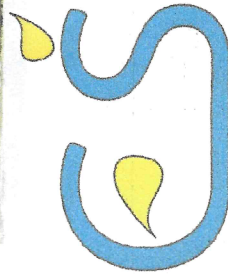

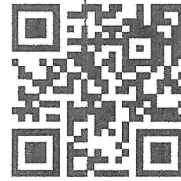

Get On Your Bikes, Europe's
Back In Business

Eight schools from Romania, Poland, Italy, Croatia, Germany, Latvia, The Czech Republic, and Slovenia participate in the Erasmus+ KA2 project. The goal is to develop students' business competence through sustainable way of living, mainly by taking care of the environment as well as taking over the responsibility for their own health and we have chosen biking as the best method to achieve these goals.

BIKING HINTS

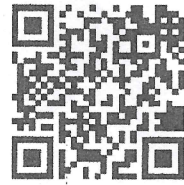

Spring 2016

Paths suitable for cycling

One can learn about the beauties of Celje's region from a bike. Cycling is possible on every road. However it is best to use well-signed cycling paths. There are different trail gradings according to the challenge of the trail. They are suitable for non-professionals, sportsmen and families. You can find such routes in Celje, Braslovče, Dobrna, Kozje, Laško, Podčetrtek, Prebold, Rog. Slatina, Rogatec, Štore, Tabor, Vransko, Zreče, and Žalec. ZrečeZre-
